## How do I access ChildPlus Online?

Richard Woolf - 2024-05-13 - [ChildPlus](#)

### Chrome Browser

ChildPlus Online is accessed by opening the **CHROME** browser and navigating to <https://app.childplus.com/MiamiValley>.

A screenshot of the ChildPlus Online login interface. The page features the 'ChildPlus Online' logo at the top. Below the logo are two input fields: 'Username' and 'Password'. The 'Password' field includes a toggle icon (an eye) to show or hide the password. A prominent purple 'Sign In' button is centered below the fields. Underneath the button, there is a link for 'Forgot password?' and a blue link for 'Connect to Practice Database'.

### Other Browsers

It is important to only use the CHROME browser as this is the only one that is supported by ChildPlus. If you use some other browser (e.g., Microsoft Edge, Firefox, etc.), you will get an error message reminding you to use the Chrome browser instead.
