How do I Print a Custom module from ChildPlus Online?

Richard Woolf - 2026-08-18 - [ChildPlus](#)

Saving and/or Printing From Custom Modules / Forms

Please be aware that it is currently not possible to **Save as Attachment** or **Print** a custom module from ChildPlus Online. If you need to **Save as Attachment** or **Print** data a custom module, you ***MUST*** use ChildPlus Desktop. It is expected that this feature will be added to ChildPlus Online in a future update.

MVCDC Custom Modules that this is applicable to:

- Allergy Plan
- Childcare Payment Agreement
- Coaching Cycles & Coaching Cycles TEAMS
- Community Resource Event Module
- County Co-Payment Agreement
