# **ChildPlus 6.5 is Coming This Weekend!**

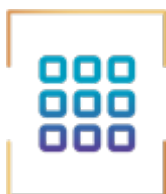

Happy New Year!

Get ready to experience the latest and greatest version of ChildPlus Software.

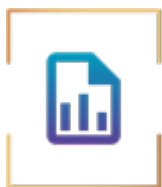

## **Restrict Staff Login Access to ChildPlus Online**

Increase the security of your data by restricting your staff's login access to ChildPlus Online during specific time frames.

## **Miscellaneous (Grid) Reports now available in ChildPlus Online**

In ChildPlus 6.5, Miscellaneous (Grid) Reports that exist in ChildPlus Desktop are now available in ChildPlus Online

## Use ChildPlus Online for all PIR Monitoring and Tracking

In ChildPlus 6.5, all PIR-related reports found in ChildPlus Desktop are also available in ChildPlus Online. Now you can monitor all PIR compliance in ChildPlus Online year-round.  
***\*2023-2024 PIR updates from the Office of Head Start are now available!***

## Easily Monitor "Report 4130 - Family Service Actions" with Totals and Subtotals

View the total and subtotal number of each Family Service Action within events like family goals, communication logs, and home visits, to ensure your staff is properly serving and communicating with families.
